Wednesday 10th May 2017

Dear Parents/Guardians,

During next week, we will be explicitly teaching your child how to write a procedure.

To support the children with their understanding, we will be making Vegemite sandwiches and eating them in class. We will then record what we did in order using a storyboard before writing our procedure/recipe.

The inspiration for Vegemite sandwiches came from the classic Australian children's storybook, 'Possum Magic'.

If you have any concerns or questions, please contact your child's teacher.

Sincerely

Grade One Team – Lee Laier, Meg Gerring, Sophie McKernan and Kate Van der Jagt

NOTE : The Vegemite sandwich we make will only be a snack size and will not replace your child's lunch.
