

Dear GIPS families and friends,

We hope you are all well and very much looking forward to the kids starting back at school over the next week. We're sure the kids are excited too!

As mentioned in a previous newsletter we were hoping to have a whole school end of year event but it's unfortunately looking more and more unlikely at this point in time. However we have 3 fundraisers we *are* able to facilitate. We hope that you can enjoy and take part in one or all of them!

Wine tasting event held by Dominique Portet

Join Ben Portet for a Zoom event held on **Friday 16th October**
Tickets are \$140 and include 6 bottles of wine delivered to your house.
Two bottle each of the Fontaine Chardonnay, Rose and Cabernet Sauvignon.

Ben will talk about the winery and walk you through the wines you have.

Bookings close tonight! www.dominiqueportet.com/product/GIPS-INTERACTIVE-TASTING

Mango Drive

The annual GIPS Mango Drive is back!
Look out for a Compass notice and link to bookings.
Trays will again be \$25 each and most likely to be delivered end of Nov/early Dec.

Gingerbread Houses (DIY building)

A new fundraiser this year to make it feel a little Christmassy and an activity for kids to be creative with!

All you'll need to do is assemble and decorate...can't be too hard right?

Kits will be \$35 and come complete with premade gingerbread, icing, board, cellophane and lollies!

Please look out for Compass notices and updates in the school newsletter about how to order and take part in all of these wonderful fundraisers.

Happy back to school!!

Kind regards
Shane Millar and Katrina Standen
