

ON-CAMPUS STORE OPERATIONS UPDATE

Thursday, March 19, 2020

Dear Valued Customer,

As the global Coronavirus (COVID-19) outbreak continues to evolve, we wish to share with you some important information about the steps we're taking to minimise the risk of exposure in our local communities.

First and foremost, the health and well-being of our employees and customers remains our highest priority, and we will continue to act thoughtfully despite the disruption and uncertainty this situation has brought to our daily lives. We are navigating through this difficult time as new information is made available.

Our focus remains on caring for our staff and customers and playing a constructive role in ensuring that we do everything in our power to work towards containing the spread of the virus.

Therefore, we have decided that in the best interests of everybody concerned, that we will close all **On-Campus Sessions** effective immediately and remain closed until further notice. We are optimistic this will be only a temporary situation and will continue to communicate as more news comes to hand.

Please refer to our website - www.psw.com.au - for updates which will be posted regularly and we will continue to process online orders without any interruption during this period.

We apologise for any inconvenience caused and look forward to reopening the sessions again in the very near future. Please take care and thank you for your continued support.
