## Feature on The Teacher

Kate qualified at The International Dance Teachers Association London - Theatre Branch and danced professionally for several years.

Since then she has been teaching, coaching, choreographing and running many dance related activities in Primary Schools and various communities in UK and Australia.

Dance is widely recognized as an excellent form of exercise both physically and mentally and children simply LOVE it!

Kate believes in working with children and adults who have little or no dance experience in the hope that they will truly be inspired
