

DRUM & BAND

Lessons at GIPS

Individual drum lessons and group band lessons are taught by Liam Frampton, who has been running drum and band programs at GIPS and other schools since 2015.

Drum lessons (individual) are a fun way to develop technical and practical rhythmic skills, applying them to a song at the end of semester performances.

Band lessons (2-4 students) allow students to rotate through a range of instruments, working together to learn and perform songs of their choosing.

Cost per lesson (per student):

Drums: \$30

Band: \$25

\$5 family discount per child per lesson

NEW FOR TERM 2: 10% Girls' Discount!
