WHAT'S BEEN HAPPENING

Hello everyone!

We have been very busy down here in TeamKids over the past few weeks!

We have been exercising our brains by completing different puzzles. We completed a 300-piece puzzle last week which is so cool. We practiced our teamwork skills and our problem-solving skills!

To celebrate the end of another amazing and busy term we are having a movie night here at TeamKids next Tuesday in the afternoon session! Hurry booking as there's only limited places and wouldn't want you to miss out!

Cheers,
Maria
