WHAT'S BEEN HAPPENING

We had lots of fun during our summer vacation care program, we went on some excursions to the movies (Trolls 3 and Migration), the Moorabbin Airport Museum, Glow dance, and bowling.

We also had lots of fun with our incursions where the children got to do some dancing again, make sushi, build their own huts, and make windmills out of Lego to name a few things!

The children all had a blast and we hope to see more of you during our Autumn VAC program!
