WHAT'S BEEN HAPPENING

Happy term 3 Glen Iris PS community!

The Winter holiday season was a success, and we were in our full capacity for many days! It was amazing to have our room with many kids and fun activities every day!

This term we have big plans for our Clubs!

As asked by children, we will keep doing Harry Potter's Book Club every Tuesdays. Some reading and chilling really go well with hot chocolate in the Winter!

Cooking club is back but, this time, we will run it inspired by Master Chef TV show. Kids will be challenged to cook different and delicious meals in our after care session on Thursdays.

Do not miss out the chance to come to our clubs this term!!!

Cheers,
Maria
