

Glen Iris Primary School
170 Glen Iris Rd, Glen Iris, Vic, 3146

8th November 2023

Dear Parents and Carers,

Glen Iris Primary School is looking forward to another great year of teaching and learning and would like to advise you of Glen Iris Primary School's voluntary financial contributions for **2024**.

Schools provide students with fee free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your support, whether that's through fundraising or volunteering your time. This has made a difference to our school and the programs we can offer.

The contributions we are requesting will allow us to provide enhanced digital learning opportunities; resource our classrooms including our new STEM Design Learning Specialist Class; upgrade our grounds; help maintain our library; ensure we have the best subscriptions for student learning; and resource our wellbeing program.

For further information on the Department's Parent Payments Policy, please see a one-page overview included.

Yours sincerely,

Maddie Witter
Acting Principal

School Council President
